

Operations Certificate

Magdalena Ordon

has successfully completed

APEXUS ADVANCED 340B OPERATIONS CERTIFICATE

This rigorous assessment-based certificate program offers specialized and thorough training on the implementation considerations within the 340B Drug Pricing Program. The curriculum provides an in-depth review of policy around 340B requirements and guidance on how to apply that policy to support 340B operational integrity. The education series evaluates decision points, potential compliance challenges, and audit areas of focus for each topic.
